Environmental Policy

We, Nitta Gelatin North America, conduct business activities with the environment, health, and safety in mind for society in general, the host communities, and all the employees of the company, thereby contributing to the realization of a sustainable society.

- ❁ We will conserve the environment and ensure the company operates in compliance with applicable laws and regulations.
- ❁ We will assess the impact that our business activities may have on the environment as well as improve any areas of need by setting appropriate targets.
- ❁ We will communicate our environmental policies to all the employees of the company to raise our awareness of such initiatives.

Respectfully submitted,

Jørgen Gallert
President
